Gentlemen:-

Replying to your favor of the 12th would say from your order we understood you were in a hurry for the material and therefore advised you that we did not carry the soft material in stock; the demand in the soft material is usually for special colors while the colors shown in the #2 book are for stock colors and material prepared for pasting. We also specified the wioths in which we could send it because we did not know whether it would be satisfactory. The price for the soft material, 36" wide is the same as quoted in book #2 for Colored Burlaps, viz. 30¢ less 35% per yard. We await further instructions before shipping and solicit your favors,

Yours truly,
Richter Mfg., Co.
